LAST-ORDER in YOUR LIFE !

PREFACE

Hello! The name's Eretto!
Here's an Accelerator and Last Order book. My fourth one to boot!

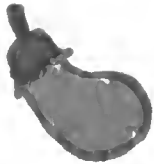
The undying AccelxLO love... Ah, I so love this pairing!! Accelerator being the main focus and listening how he goes "KIHAR.AKUUUUUUUUN!!" during the second half of the "To Aru Majutsu no Index II" anime was really the best that comes to my mind!

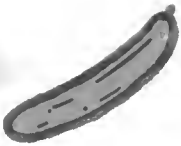
As for the original, seeing Misaka Worst join the Yomikawa household and gaining a power-up from that normal day-to-day, I was like what gives... Makes me not want to avert my eyes away!

Starting from this one, I will be using a new title! Nowadays, I'm thinking of ways on what direction the story should head to

And this ended up having its comedic elements stand out more.
All unfamiliar parts will be covered with love!

Well then, I present to you the main story.





I'M AFRAID THAT WE'LL BE RELYING ON WHATEVER
YOU TWO WILL BE MAKING FOR DINNER

FROM HEREON, THIS WOULD BE AN ILLUSTRATION CORNER.
ILLUSTRATION ON THE LEFT USED ON THE NON-FABRIC BAG.
I WAS AIMING FOR SOMETHING POP, EASY TO UNDERSTAND AND THAT ACCELXLO LOVE!

THE IMAGE COLOR IS THAT OF LAST ORDER'S LIGHT BLUE.
REALLY, THESE TWO CAN HANDLE SUMMER!
WELL, THEY'RE SUCH A PASSIONATE THAT THEY CAN HANDLE WINTER!
SO PERFECT!

THIS ONE ON THE BOTTOM IS A DROPPED SKETCH.
THEY'RE IN NORMAL PROPORTION.
WHILE UNIQUE ON ITS OWN WAY, THIS FELT LIKE THEIR FACES LOOK OLDER THAN IT SHOULD!
IT'D REALL BY NICE IF ALL OF THE OTHER GOODS ARE DRAWN THIS WAY!

Illustrations for the deer-styled tags.

I so wanted to make Accelerator look like he has no experience what so ever, hehe.

Not to mention looking he's protecting Last Order from something like he tends to do.

The two under it are dropped sketches.

I always have a hard time on picking which of the two hairstyles should I draw on Accelerator.

Either way, they're both look great!!!

This one is the draft and fine drawings of the cover.

Although even Irihashi has no time to spare, I so wanted these two to be drawn... I guess it's up to me then!

Seeing a child wearing an apron makes one's heart burst with such wonderful feelings!

In that stronghold of mothers typically known as the kitchen, a kid may seem unreliable but it's also where she could do her utmost best. Yeah, that place there!

Accelerator is being aversive.

And that's how he seems to be!

In a sense, he's someone you wouldn't know what's he gonna next! Aside from thing concerning Last Order, that is. Ah, he's so scary!

Eretto totally forgot the KIIIHARAKULULULULUN!!!

あとがき

And that's how a certain cookina story ends! So, how was it?

Comparina this with "Last Order for Your Eyes" series, it feels like this has more comedic elements.

I kinda tweaked the personalities of the characters a bit too much. Like reducina how nicely they aet alona which has sianifiance in itself. But, doina this as a challenaina for myself was fun!

I'm aware that there are so many ways in makina a story. And that's the part that I want to improve more.

Recently, my couahina hasn't stopped and has aotten worse/
Oh yeah, sleepina on the floor feels so very nice! Well, sayina that, I auess that outcome is to be expected.

Really, sleepina on the bed is a serious matter!
Health is of utmost importance, riaht. I'll try do some exercise! Yeah, that'll be my mission startina this fall onwards!

I almost foraot! There's a small AccelLO only event!!!
Typically, I don't know whether my aroup would join or not. But this one is somethina that I need to ao tooooo!!!
Well then, until next time! Thank you very much!
